

American Seekers Academy

MACARONIS

Class Overview

Our Mission

American Seekers Academy is a drop off homeschool co-op dedicated to empowering families through a private, in-person Classical education that prioritizes safety and upholds parents' freedom to choose what's best for their child.

About Macaronis Class

Our **Macaronis Class** is a joyful program that welcomes our youngest learners (from ages 6 months up to 4 years) into a warm, nurturing academic setting designed to spark curiosity, encourage sensory exploration, and build foundational social skills. Beyond engaging lessons on numbers, letters, colors, and syllables, your child will be amused with a structured and vibrant morning filled with play, music, movement, obstacle courses, classic stories, science demos and enriching arts and crafts—for three whole hours, three days a week.

A consistent, repetitive schedule fosters routine and excitement. The class typically features:

- **Circle time** to connect with friends and kick off the adventure
- **Music and movement** with lively songs and dances to build coordination and rhythm
- **Rhymes and songs** to boost language development and phonological awareness
- Playful introductions to **letters, numbers, shapes, and colors** through interactive games
- **Math and literacy** are practiced during educational stations and fun activities with differentiated lessons for PreK-ready learners.
- **Science lab** inspires wonder and imagination with weekly hands on experiments and demonstrations.

Macaroni's is the ideal blend of active play, socialization, exploration, and foundational lesson that help prepare your child with the desire to learn!

Tuition

\$900 per child (mornings only)

Tuition for the Macaronis Class covers **one full 10-week session**, with classes meeting **Mondays, Wednesdays, and Fridays from 9 AM to 12 PM.**

Fundraisers, "Free After Three," and gift cards are applied toward tuition!

Learning Objectives

- Develop fine and gross motor skills through sensory and movement activities.
- Recognize numbers 1–20, basic letters, colors, animals and shapes.
- Build social skills like sharing and listening during circle time.
- Foster curiosity and creativity through hands-on science and crafts.

Mission Alignment

The Macaronis class cultivates early civic virtue by helping foster positive interaction, demonstrating and practicing kindness and manners to prepare children for a life of freedom and intellectual growth. Your family will thrive in a community-driven setting with a focus on safety, family, camaraderie and academic excellence. We empower parents to choose a holistic education that nurtures their child's potential

Staying With Your Child

- Parents are always welcome to stay in the classroom with their child during the initial days to help them feel secure and comfortable.
- Feel free to remain in the building and check in on your child as often as needed—there's no time limit. Take as many days as it takes for your child to adjust happily to their new morning routine.
- Our location coordinator and mentors are here for you—reach out anytime for updates, reassurance, or to discuss how your child is doing.

FAQ

Q: Is there a dress code? **A:** Yes – khaki or navy pants/shorts/skirts + any solid-color polo.
Q: Does your program alone meet all IHIP requirements? **A:** Yes, for ages 6 and up (IHIP begins at 6).
