YANKEE DOODLES

Class Overview

Our Mission

American Seekers Academy is a drop off homeschool co-op dedicated to empowering families through a private, in-person Classical education that prioritizes safety and upholds parents' freedom to choose what's best for their child.

About Yankee Doodles Class

Yankee Doodles Class is thoughtfully designed for PreK to Kindergarten (ages 4–5), building strong foundational skills in literacy, counting, and early responsibility through a gentle classical education approach.

A warm, meaningful connection with a dedicated, trained instructor provides the mentorship young children thrive on—especially valuable for homeschooling families.

*Classes meet **Mondays, Wednesdays, and Fridays**, 9 AM–12 PM (optional extension to 2 PM). Sessions are 10 weeks long and offered three times per year, creating a predictable rhythm that helps little ones feel secure and excited to learn.*

Hands-on, movement-rich activities spark curiosity and joy while introducing letters, sounds, phonemic awareness, number sense, shapes, colors, and simple routines of responsibility and kindness. Play-based learning fosters independence, social skills in a nurturing, community focused environment.

Yankee Doodles empowers homeschooling parents with a balanced, joyful program that nurtures confident, eager learners and virtuous little citizens—blending academics, creativity, character, and fun in a mentor-guided space.

Tuition

\$900 per child for mornings only

Mission Alignment

The Yankee Doodles class cultivates early civic virtue by helping foster positive interaction, demonstrating and practicing kindness and manners to prepare children for a life of freedom and intellectual growth. Your family will thrive in a community-driven setting with a focus on safety, family, friends and academic excellence. We empower parents to choose a holistic education that nurtures their child's potential

Staying With Your Child

- Parents are always welcome to stay in the classroom with their child during the initial days to help them feel secure and comfortable.
- Feel free to remain in the building and check in on your child as often as needed—there's no time limit. Take as many days as it takes for your child to adjust happily to their new morning routine.
- Our location coordinator and mentors are here for you—reach out anytime for updates, reassurance, or to discuss how your child is doing.
