

America's Birthday: Founding Heroes

This coloring page introduces young learners to key figures and symbols from America's founding period in a simplified, age-appropriate format.

Instructions:

Color the different elements of America's founding story. Read the learning facts with an adult to learn more about each part of the picture.

Coloring Guide:

George Washington:

America's first president wearing his general's uniform

Liberty Bell:

Famous bell with a crack that was rung to celebrate independence

Original American Flag:

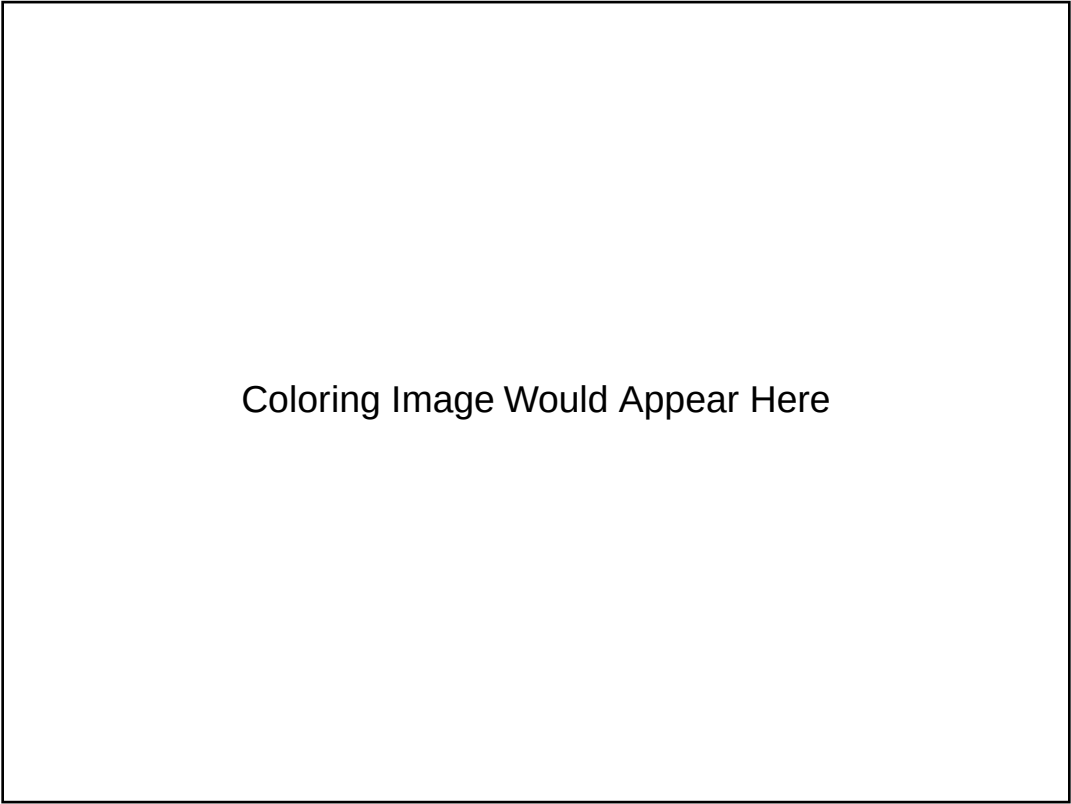

Flag with 13 stars arranged in a circle

Independence Hall:

Building where the Declaration of Independence was signed

Image Description:

A simplified scene showing George Washington, the Liberty Bell, an American flag with 13 stars, and Independence Hall building in Philadelphia.
