

America's Beginning: A Historical Coloring Adventure

This coloring page introduces young learners to key symbols and figures from early American history in a simplified, age-appropriate format.

Instructions:

Color each part of the picture. Use the color suggestions or choose your own colors. As you color, talk with an adult about what each item represents in American history.

Coloring Guide:

American Flag:

Color the stars blue and make stripes red and white

Liberty Bell:

Color this famous bell brown or gold

Mayflower Ship:

Color the ship that brought early settlers to America

Bald Eagle:

America's national bird - color its head white and body brown

Founding Fathers:

Color the clothes of these important people who helped create America

Image Description:

A simple, child-friendly collage showing the American flag, the Liberty Bell, a simplified Mayflower ship, a bald eagle, and founding fathers in colonial clothing standing together.

Coloring Page (continued)

Did You Know?

- The American flag has 50 stars for 50 states
- The Liberty Bell rang to announce the signing of the Declaration of Independence
- The Mayflower ship brought the Pilgrims to America in 1620
- The bald eagle is America's national symbol
- The Founding Fathers helped write important documents for our country
