

MEMBER AGREEMENT:

Helping others to find peace in the balance of learning and living;
this co-op was created by homeschool parents for all parents who want more.

BRIEF OVERVIEW

At American Seekers Academy (ASA), our drop-off homeschool co-op is dedicated to making homeschooling a rewarding experience for every family. Rooted in the Classical education model, our program emphasizes the Liberal Arts through the Trivium and Quadrivium, blending carefully curated curricula from trusted sources such as Hillsdale College, Literacy Essentials, IEW, WOL, Dimensions Math, PragerU, MENSA, and Tuttle Twins with our original, proprietary worksheets, lessons, and projects. Our 10-week program includes student placement assessments to monitor progress and identify areas for improvement at home.

ASA warmly welcomes families from all faith traditions, fostering an inclusive environment where diverse perspectives are respected. Our lessons explore the role of the Creator as reflected in America's founding documents and the design of our government, while maintaining a focus on history, philosophy, mathematics, and scientific inquiry without teaching religious doctrine. We cover how the religious values of America's founding are related to the liberty we have today. Our 10-week sessions run without holiday breaks, allowing students to observe American holidays and learn about international ones in class, with considerations for location-specific rules, such as those regarding Halloween.

Our program emphasizes the value of liberty and capitalism, teaching why socialism can lead to communism and how free-market principles align with personal freedom. Mentors are required to read *The Truths We Still Hold* by Matthew Spalding and *Land of Hope* by Wilfred M. McClay, which serve as foundational guides for teaching American history. We encourage families to explore these texts at their own pace and seek clarification on any topics as needed.

We are committed to creating a structured, vibrant educational and social environment. Our mentors, selected for their experience and passion, inspire students, adapt lessons as needed, and uphold ASA's policies. They focus on fostering academic excellence, particularly in reading, writing, civics, and self-governance. As parents, you know your child's unique strengths, interests, and needs—please share your suggestions and feedback with our mentors and coordinators. Together, we aim to continually enhance this distinctive homeschooling experience, empowering your family and nurturing a lifelong love of learning.

OUR MISSION

American Seekers Academy is dedicated to empowering homeschooling families through a private, in-person Classical education that prioritizes safety and upholds parents' freedom to choose what's best for their child. Our drop-off program ensures homeschooling success for the entire family, using fact-based curricula and dedicated, trained mentors to foster a secure environment where students are inspired to embrace liberty, intellectual flourishing, and civic virtue.

**AMERICAN SEEKERS ACADEMY MINISTRIES (ASA MINISTRIES) MEMBER AGREEMENT AND

1. **Membership Protections:** Membership unites us under the 1st and 14th Amendments for private association and privacy in conducting our faith-based educational activities.
2. **Operational Structure:** We operate as a privately held homeschool cooperative association, adhering to NYS homeschool regulations (children with us <51% of instructional time). Masks are discouraged for clear communication but remain a parental choice. Medical information is private and not required for enrollment.
3. **Dues and Fees:** Members agree to pay annual dues and fees per ASA policies. Payments can be made via cash, card (through americanseekersacademy.com), check, or money order. Late payments may incur penalties or restrictions.
4. **Rights and Privileges:** Members enjoy voting rights, resource access, program participation, and board eligibility. Annual membership covers all school-age children and up to 2 adults per household.
5. **Assumption of Liability and Waiver/Release:**
 - o I (the undersigned Member/Parent/Guardian) assume all risks and liability for injuries, property damage, or other harms arising from participation in ASA activities, including but not limited to classes, field trips, online sessions, events, and community interactions. This includes "acts of God," accidents, or negligence (ordinary or otherwise, except gross misconduct or willful harm).
 - o I hereby release, waive, discharge, and covenant not to sue ASA Ministries, its presidents (Corey Brown, Jocelyn Brown), members, volunteers, mentors, aides, locations, faculty, or affiliates from any claims, demands, or causes of action related to such risks.
 - o This waiver binds me, my spouse, heirs, executors, administrators, personal representatives, and assigns. It applies even if ASA provides insurance coverage (e.g., general liability policy), which may mitigate but not eliminate risks.
 - o I acknowledge participation is voluntary and have had the opportunity to inspect facilities/activities. If withdrawing, I may revoke this waiver in writing, but no refunds will be issued post-enrollment.
6. **Background Checks:** Required for volunteers working with students.
7. **Attendance and Reporting:** Attendance is encouraged but parent-discretionary. ASA does not report to government entities; parents handle NYS homeschool filings (excluding ASA details).
8. **Refunds and Withdrawal:**
 - o Annual memberships are non-refundable. Pro-rated refunds for withdrawal before Week 3 may be considered at ASA's discretion.
 - o Non-attendance forfeits refunds. Exceptional cases (e.g., medical emergencies) reviewed case-by-case with written notice.
 - o Disputes resolved via binding arbitration (below).
9. **Arbitration Clause:** Any disputes (e.g., refunds, injuries) shall be resolved through private, binding arbitration under ASA's PMA rules, conducted by a neutral arbitrator in Rochester, NY (per American Arbitration Association guidelines). No court involvement; decisions final. This promotes our values of self-governance and community resolution.
10. **Amendments:** ASA may amend terms with notice; continued participation implies consent.

I have read, understood, and agree to this Agreement voluntarily, without coercion.
